Introduction

A regular review of Terms of Reference/Standing Orders is essential to ensure good governance, the failure of which would also lead to reputational risk to the organisation.

Background

At its meeting on 23 May 2017 the Authority adopted its current Standing Orders and Code of Conduct. These documents are required to be reviewed annually. Officers have reviewed these documents internally and are not at present recommending any changes.

The current Terms of Reference and Standing Orders can be found on the IFCA's website at <https://www.kentandessex-ifca.gov.uk/about-us/committee/standing-orders>

Recommendation:

Members are asked to **APPROVE** the current Terms of Reference and Standing Orders
