

COCKLE FISHERIES REVIEW

At their meeting on 22 November, Members will review proposals and letters submitted to them by stakeholders prior to the start of the Consultation 3 process as part of the process of reviewing and developing new cockle management.

For further details please [click here](#). To see copies of the letters/proposals received please go to our cockle review website <https://cocklereview.kentandessex-ifca.gov.uk/consultation-3>

NATIVE OYSTER RESEARCH

Kent & Essex IFCA has carried out its annual survey to monitor the recovery of stocks of native oyster within the Blackwater, Crouch, Roach and Colne Estuaries Marine

Conservation Zone (BCRC MCZ).

For the first time this year, surveys were also carried out with the Zoological Society of London on the presence of native oysters in the River Medway.

For more information on the findings from these surveys please [click here](#)

Marine
Management
Organisation

MMO2030

The Marine Management Organisation (MMO) has published its 2030 Strategic Plan for healthy, productive seas and coasts. For full details go to <https://www.gov.uk/government/publications/mmo2030-strategic-plan>

We are on Twitter.

To lead, champion and manage a sustainable marine environment and inshore fisheries

Port of London Authority are committed to cutting their carbon emissions to zero by 2040. For more information on how they intend to achieve this go to <http://www.pla.co.uk/Environment/2040-Net-Zero-Target>

The Thames Green Scheme is an independent environmental performance indicator for UK inland waterways commercial and services operators to demonstrate their environmental performance for elements including on air quality, carbon, energy, water quality, litter, and waste. For more information go to <https://greenscheme.pla.co.uk/>

FISH LOCAL

Fish local has been developed to support the Kent and Essex fishing industry, working together to deliver its world-class seafood to the public and trade.

Buying locally caught seafood from a fishmonger, fish stall, restaurant or even direct from the fisher is more sustainable and supports an industry we can be proud to have on our doorstep.

For more information on how and where to source local fish go to <https://fishlocal.org/#/>

COMPLIANCE WITH KENT & ESSEX BYELAWS

We have developed a number of stickers and information sheets that can be used by both commercial and recreational fishermen to check they are landing sizeable fish. If you would like one of these free stickers/information sheets then please ring us or email info@kentandessex-ifca.gov.uk and we will be pleased to send them to you.

Key Minimum Sizes
 All undersized marine organisms shall be returned immediately to the sea.
 *Recreational limits apply and can change. Please check online for updates.

Bass 42cm*	Cod 35cm
Whiting 27cm	Plaice 27cm
Sole 24cm	Mullet 30cm
N. Sea Mackerel 30cm	Skates and Rays 40cm
Other Mackerel 20cm	

For further information on additional legislation and species visit:
www.kentandessex-ifca.gov.uk
 01843 585 310 | info@kentandessex-ifca.gov.uk |

If you see anything that concerns you regarding a fishing activity in our district then ring us on 01843 585310.

To lead, champion and manage a sustainable marine environment and inshore fisheries

The Association of
Inshore Fisheries and
Conservation Authorities

was created to assist and promote the 10 regional IFCAs to ensure that the authorities develop a leading and effective national role in fisheries and conservation management in line with the IFCA vision.

For more information on the work it undertakes go to <http://www.association-ifca.org.uk/>

ENGLAND COAST PATH

The 43 km (27 miles) stretch of the England Coast Path (ECP) between Whitstable and Iwade is now open to the public.

The 29 mile continuous walking route is the fourth section in Kent to open, bringing the total in the county to 173 miles

Full details of the route and maps can be found at <https://www.gov.uk/government/news/england-coast-path-takes-a-step-forward-in-north-kent>

THAMES ESTUARY PARTNERSHIP

The Thames Estuary Partnership is an independent charity that builds understanding and appreciation of one of the world's most famous rivers.

For information on the work they undertake visit their website at <https://www.thamesestuarypartnership.org/>

The next meeting of the Authority will take place on:

Tuesday 22 November 2022

This meeting will be held at Chelmsford Council Officers, Chelmsford at 10am. Members of the public are welcome to attend.

Among the items up for discussion are:

- [2022 Cockle fishery management](#)
- [River Roach Oyster Fishery Order 2013](#)
- [Annual Report 2021/22](#)

Please click [here](#) to see our website for the full agenda and reports.

Should a member of the public wish to speak to the Authority Members on any item that is being discussed at a meeting then you should email info@kentandessex-ifca.gov.uk or phone the office on 01843 585310 to let us know you would like to do so.

We will need at least 48 hours' notice and will ask you to tell us which agenda item you wish to speak about and what your concern/interest is. We will then ask the Chairman to confirm his approval and contact you to let you know where to go and an approximate time you will be heard.

If you have any concerns about fishing activities in your area we want to hear from you.

Call us today on 01843 585310

If you experience any problems with the links you will find all the material on our website www.kentandessex-ifca.gov.uk
