Subject: **REPRESENTATION ON THE CROUCH HARBOUR
AUTHORITY ADVISORY COMMITTEE**

Classification Unrestricted

Summary: To nominate a Member and one other representative to sit
on the Crouch Harbour Advisory Committee.

On 24 May 2011 Cllr Channer and Mr Ray Hawkins (a local fisherman) were nominated as representatives of KEIFCA to sit on the Crouch Harbour Authority. Prior to this they had sat as representatives of the Sea Fisheries Committee. I have been informed that their term of appointment expires on 31 May 2013.

The Authority will be required to confirm if they wish to continue to have representation on this Committee and who their representative will be. The length of appointment is four years.

I have contacted Mr Hawkins who has expressed an interest in continuing to represent the Authority.

1. The Authority is asked to **APPROVE** the appointment of representatives to the Crouch harbour Advisory Committee and, if agreed;
2. **APPROVE** the nomination of Mr Hawkins as a representative of KEIFCA and nominate a Member of the Authority to act as a representative of KEIFCA
